COMPANY PROFILE

Zhejiang Ganxiu Silicone Technology Co., Ltd. is a leading manufacturer of high-quality invisible bras and silicone bras in China. Our company is headquartered in Yiwu, Zhejiang Province, the world trade center.

We have an independent warehouse and a dust-free workshop, with over 100 production employees and a production area of over 8000 square meters. With 8 high-end production lines, we have a monthly output of approximately 500,000 pairs and an annual output of approximately 10 million pairs.

Our mission is to "integrity to create quality, quality to win the market." We warmly welcome our business friends to visit, guide, and negotiate business at our factory.

SILICONE BRA WITH LACE

A silicone bra has the unique feature of providing both a **sexy and comfortable** fit. It's designed to enhance the appearance of the back, giving it a beautiful and **alluring** look. The use of silicone material not only offers a smooth and **natural** appearance, but it also provides a comfortable and breathable feel, ensuring maximum comfort for the wearer. Overall, a silicone bra is an excellent option for those who want to bring out their beauty and feel comfortable at the same time.
